2019 YOUTH CULTURE CAMP

OVERVIEW

Pōsōh āneq nāp?
(Hello, how are you today?)

Culture Camp is designed for young adults to provide an opportunity for spiritual growth and strengthening of our cultural identity..

Youth chosen to participate in Culture Camp will gain experience through hands on learning, discussion groups, and field trips. A number of cultural activities will be offered throughout the camp period. Menominee Culture and Language are beneficial to the growth of our young people, strengthening their knowledge, respect and developing a unique bond with our tribal people and with our land.

This 2-week program focuses on students between the ages of 12 and 17. There is no cost to attend the camp. The first 30 completed applications with youth who are within the age requirements for each camp will be accepted to ensure applicable room and the adequate attention needed for learning and safety.

During camp, if there is severe weather, the culture camp staff will be notified immediately and if warranted, other means of shelter will be provided for the youth and staff. When conditions subside, they will then be returned back to the campsite.
