Legend:
- This is a committee of the Legislature established under Bylaw 1, Sec. 2 of the Menominee Constitution & Bylaws.
- This is a department of the Tribe that periodically reports to the assigned committee.
- This may be a commission, committee, or board established by the Tribe, or a non-Tribal entity. These bodies may not necessarily report regularly to the assigned committee, but they are required to bring forward issues to the assigned committee before presenting them to the full Legislature.
- This is a joint committee with another entities governing body (formerly known as Task Forces).
