## **COVID 19 VACCINE UPDATE: 18 & OLDER ELIGIBLE** **3/15/2021 (the Ides of March!)**

*To be, or not to be: that is the question:  
Whether 'tis nobler in the mind to suffer  
The slings and arrows of outrageous fortune,*

*Or to take arms against a sea of troubles,  
And by opposing end them?  
(Hamlet)*

**Apologies to the Bard, and at the risk of taking his most famous lines way out of context, there are some relevant take home points!**

- **Covid STILL risks the lives of many (to be or not to be)**
- **Covid 19 virus is our present slings and arrows of outrageous fortune, continuing to assault the Menominee Community**
- **Vaccines are our weapons to oppose this relentless enemy, and Yes the way to oppose and end this threat is to TAKE ARMS against this sea of troubles. Literally take arms!**

**Menominee County still leads the state in % of residents to receive one dose of vaccine.**

**89% of Elders 65 and older have received at least one dose. Despite this success, we need to press on to get 80% of the Menominee community vaccinated.**
